If anything hurts, stop and tell Dana Reyes.

From your therapist: Go gently this week.

1 Clam with band

Watch the video

3 sets of 10 · Hold 5 seconds

Then repeat on the other side.

HOW TO DO IT

TO START
Lie on your side with your knees bent and your hips stacked.

THE MOVEMENT
Keeping your feet together, lift the top knee towards the ceiling.

CAREFUL
Do not let your pelvis roll backwards as you lift.

Lower the knee slowly with control.

THE HOLD
Hold the top position for 5 seconds.

REPEAT
Then do the same with the other leg.

2 Bridge roll up

Watch the video

2 sets of 8

HOW TO DO IT

TO START
Lie on your back with your knees bent and your feet flat.

THE MOVEMENT
Peel your spine off the mat one bone at a time.

TO FINISH
Roll back down slowly, one bone at a time.

3 Wall sit

Watch the video

2 sets · Hold 30 seconds

HOW TO DO IT

TO START
Stand with your back against a wall and walk your feet forward.

THE HOLD
Slide down until your knees are bent and hold.

4 Core work & stretches

1 set
